Salaam-ul-Jameel,

My name is Ibrahim Firozbhai Rupawala and I have completed my under-graduation in electronics engineering from Bhagwan Mahavir College of Engineering and Technology, Surat with CGPA of 8.27/10. By the raza mubarak of Maula (TUS) I am pursuing MS in electrical engineering from Arizona State University, Tempe, AZ.

I hereby apply for Qardan Hasana provided by Burhani Qardan Hasana for pursuing higher education. I had arranged my first semester fees (\$ 15693) from my personal savings and with the help of my family however I am unable to finance my education for the future semesters. I am working on scholarships, teaching assistantships and every other source possible to finance the same but as the dates are coming closer my graduate advisor is advising to go for student loan however as the **‘Riba’** is outlawed in Islam and is condemned strongly by Syedna Mohammed Burhanuddin (RA) and his mansoos Syedna Mufaddal Saifuddin (TUS) I don't look forward to go for it. I thus urge Burhani Qardan Hasana Corporation to help finance my education expense. I also pledge to repay the same (if approved) according to the payment schedule mentioned in the application form. Moreover if I will receive any kind of scholarship/assistantships I abide to refund the amount immediately.

Qardan Hasana Requested from Burhani Qardan Hasana Corporation, America: **\$ 37500**
