To Whom it may concern,

It is my distinct pleasure to have the opportunity to write this letter of recommendation for Mr. Ibrahim Rupawala who has applied to pursue graduate studies at your esteemed university. In my capacity as sales manager at Tirupati Sales Corporation I have worked closely with Ibrahim for one year. As a Technical Cum Sales Engineer at our organization he went through providing technical support for our clients. Based on his proficiency he was engaged in extensive discussions with our clients about the concerned requirements of the merchandise.

I was particularly impressed by his strong communication skills. Part of his job involved contacting high-profile companies, addressing their needs and meeting their demands. He showed very strong organizational and management abilities, and he was very orderly, with the ability to learn quickly. If anything, Mr. Ibrahim Rupawala was at times too eager to complete tasks successfully and quickly, which ultimately serves as proof of his dedicated ambition to succeed and excel.

Based on my first-hand observation of his performance over the past few years, I believe that Mr. Ibrahim Rupawala is fully capable of pursuing a master's degree in your university and performing excellently. He has a cheerful and positive personality that makes him a joy to work with. I feel that he has the necessary intelligence, diligence and persistence to complete the program successfully. So, I strongly recommend him, without any hesitation, for admission to your university preferably with financial aid and Assistantship that you may have to offer to a deserving student. He would be a tremendous asset in any company. I wish him good luck for all her future endeavours.

With Regards,

Mr. Zalak Naik
