### About the Candidate

**Self Description:** I was born and brought up in Barnagar and pursued my graduation from Rural Medical College in Maharashtra. Currently I am working as an MBBS Intern at PIMS hospital Loni (MH). I am a good learner and seek opportunities which involves learning. I am also active in social activities and remain on Deen & Imaan always. I do like travelling and utilize to play badminton. I want to pursue more education in terms of Post Graduation.

**Interests:** Reading, Community Work, Entertainment (TV, Movies, Music etc.)

**Spouse Preference:** He should be taller than my height, good looking & a wise person. And as a unit two people should be respecting each other in every possible way be it profession, decisions and each other's family.

**Parent's views on my marriage:** We are happy with our daughter's choice and looking forward for her happiness.

**Counselor's Remarks:** She seems to be balanced person with nice approach towards social and outside world. She is very keen to gain new knowledge, hence always pursue towards further education and learning stuff.
