Additional Note:

This year, the effective date of ACR has moved from July 1 to September 1. We understand that moving the effective date of ACR may have an effect on you and your family. With this in mind, Western Digital will pay a one-time ACR Adjustment Payout to those receiving an ACR increase by November 1, 2018 (may vary for some countries). You will receive an ACR adjustment payment of 645 USD.

For employees eligible for overtime, the ACR Adjustment Payout will also include an approximate average amount of overtime by country in the months of July and August, which will be calculated at a later date and included in the payment.
