Notice of Spring 2016 Admission

PROGRAM: Engineering (Embd Elec & C)-MS - Engineering (Embedded Electrical and Computer Systems)

Dear Ibrahim Rupawala,

Congratulations! You have been admitted to the Engineering (Embd Elec & C)-MS - Engineering (Embedded Electrical and Computer Systems) program which is among the most competitive in the California State University system.

You have been admitted as a **conditionally classified** graduate student with department admission conditions noted at the bottom of this letter. Consult with your graduate advisor on how to meet these conditions. Please retain this letter for your records. To officially accept your offer of admission, you must login to your Student Center on the *SF State Gateway* at http://www.sfsu.edu/admit and accept. If you have pending transcripts at the time of your admission, you are required to submit official transcripts with final grades posted by the fourth week of classes.

Visit the "New Graduate Student Webpage: To Do List" at http://grad.sfsu.edu/content/newly-admitted/do-list for important information and instructions on how to secure your admission. For class enrollment, check your Student Center on the *SF State Gateway* for your registration date. If you do not enroll this semester, your offer of admission will expire and you must reapply to a future semester.

Welcome to San Francisco State University! We wish you success in your academic endeavors.

Sincerely,

Ann Hallum, PhD
Dean, Division of Graduate Studies

Department Admission Conditions: *Additional English Course, SCI 614 or its equivalents is required to be taken at SFSU within the first year.*

Citizenship/Visa Status: F1 visa: I-20 Certificate Required

Residency/Fee Status: Non-Resident Tuition
